How the Scholarship Process Works

Scholarships are awarded on a first come first serve basis. The Financial Aid office will begin collecting Scholarship applications at the end of the Spring term, for awards for the Fall term. Please view the Financial Aid website for the current criteria for all of our scholarships. We recommend that you list a few scholarships on your application, which you believe you are most qualified for.

When will Scholarships be Awarded?

The Foundation generally notifies our office of what the funding levels will be for each Scholarship in the middle of the summer. Only Scholarship recipients will be notified if they are awarded a scholarship. Scholarships will be awarded for the Fall and Spring terms.

How will I be notified if I am selected?

The Financial Aid office will send you an award letter via mail and email, after you have been selected which will notify you of the Scholarship and the amount it was for. You can also view your awards through your Lion's Den account.

What else do I need to do after I have been awarded?

The RVCC Foundation office requires all students to complete a thank you note to the donor for their generosity. You will need to go to their office which is on the bottom floor of the College Center. They will provide you with a Thank You card and the details of who you need to write it to. We cannot release the scholarship award to pay your bill until this is done.

When do I need to reapply for Scholarships?

You should apply every year near the end of the Spring term, around the time that you are completing your FAFSA (Financial Aid Application) for the Fall term.
